DO YOU BELIEVE IN MIRACLES?

By Pi Gentile, Executive Director
Hospice and Palliative Care, Inc.

Do you believe in miracles? Well, we at Hospice & Palliative Care, Inc. do. The proof is in two words – Siegenthaler Center.

Our capital campaign is over and we have completed the Siegenthaler Center. Patients and their families are being welcomed into this new end-of-life residence where they receive expert and compassionate care. They are embraced within this home-like setting and supported in their wishes and decisions about their care.

This miracle would not have happened if it were not for the vision and generosity of Dean Siegenthaler to create a home for

patients and their families, in honor of his wife Jackie. Dean inspired all of us and so many wonderful donors who joined together to create this miracle. Our capital campaign was a huge success, realizing 2.2 million dollars in cash and pledges!

Behind this miracle are hundreds of "angels" who supported this campaign. Donors of a variety of backgrounds and giving levels. But "one" in the intent to create a home-like setting for families at the end of life. There are so many loved ones who have been memorialized for this Center. Their memories will become the heart of our new home, as we welcome yet another person. We celebrate all lives, together.

YOU FINALLY MADE IT

By Pi Gentile, Executive Director – Hospice and Palliative Care, Inc.
presented at the Ribbon Cutting Ceremony February 8, 2005.

*This letter written by Pi, is her reflection
of how the former Hospice patients
may feel about the new Center.*

Dave Bonacci and Dean Siegenthaler*

February
8, 2005

Dear Pi,

Well...you finally made it. Congrats!

We've been watching all your activity for a long time. Sometimes we didn't think you would make it. That unexpected hole in the beginning was really pushing it.

For many years now we have all been wishing and hoping that something like this would happen. Since we have come together over the years, we've shared our heartaches and regrets about our lives, which now, will no longer happen to those after us.

Have you any idea what it is like to be alone, in pain, and without any hope? To be forgotten and yes, even some of us...unloved? We are all the same here. It doesn't matter if you have money or not, or if you even have friends. We take each other as we are!

We all have come here from different circumstances and worth. Each with a tale of how our lives could have been better, especially at the end.

So...we joined together and prayed for Dean Siegenthaler and the hundreds of other donors to create your new center. For those of you standing there today, we prayed that you would do something about how and where people die. With this home, people will not be alone or in pain. They will know their worth when surrounded by love and dignity. They will bring joy to us.

So on this special day, we have joined together to tell you how much you have done for your fellow man. To thank you for your commitment to help each other and to value the human spirit.

This Siegenthaler Center resounds with our spirit and memories. So many donors have memorialized us within these walls. We embrace you.

Signed...The souls in heaven

PS- Betty says to tell you that she really loves the chair!

HOSPICE CARE FOUNDATION, INC.

Dear Friend of Hospice & Palliative Care, Inc.

My father, Guilio Boffi, was under Hospice care for several months until his passing on January 28, 2005. What Hospice provides cannot be adequately described in a pamphlet or brochure. I want you to know how wonderful and valuable the employees and volunteers are.

I wasn't prepared for my father to be ill with cancer. I also wasn't prepared to deal with my mother's diagnosis with a brain tumor in November. When Mom was struck with a seizure on January 8th, my first call was to Hospice. We needed help for Dad as he couldn't be left alone. Mom was facing brain surgery and we needed to be with her. Hospice arranged for the needed nursing care and additional volunteers to help us. Thank goodness for the volunteers!

The care and devotion the nurses took when caring for Dad was touching and beautiful. I know how much my father looked forward to seeing his nurse; Mom told me he would ask where she was on her day off. The social worker provided my stubborn, Italian father with an

opportunity to talk in a way he never would have talked with us because he couldn't relate to any of us in that way.

My Mom recently died and my heart aches without them. The care Hospice provided to Dad and the Hospice bereavement support has been invaluable to my family and me. The Hospice Social Worker has stayed in touch and while I understand it is part of her job, I know she cares and it certainly doesn't feel like any routine follow-up. I look forward to talking to her as I had during Dad's illness. The support Hospice continues to give me is wonderful.

I encourage you to support the Hospice Care Foundation, Inc. Annual Appeal so that they may continue to provide a wide

range of services in our community where they are needed most. Any amount that you are able to donate will be greatly appreciated. Please send your donation by July 31, 2005. Your gift will, as always, remain exclusively in our community to provide needed care to your friends and family...when it matters most.

Sincerely,

Cindy Fiorilli

"I encourage you to support the Hospice Care Foundation, Inc. Annual Appeal so that they may continue to provide a wide range of services in our community where they are needed most."

MEMORIAL GIFTS TO HOSPICE

Many contributors help Hospice provide its excellent and essential services to patients and their families in our community through memorial gifts. Memorial gifts offer a meaningful expression of one's sympathy, love and respect when remembering family members and friends. We're particularly grateful to those who designate Hospice as beneficiary of memorials encouraging donations be made in memory of their loved one. Appropriate notification and acknowledgement of all memorial gifts is sent to both the family and the donor. Unrestricted gifts of this kind help Hospice continue to provide special care and support to patients with advanced illness and their families.

This feature lists memorial gifts made to Hospice. Space limitations permit only donations between March 1, 2004 - December 31, 2004 in memory of those listed below, whether the individual was under the care of Hospice or not. To the family and friends of those remembered, we express our condolences. If there is an error or omission, call the Hospice Finance Dept. at (315) 735-6484.

Note: Donations made to the Siegenthaler Center or Light Up A Life are not included in this list, they are acknowledged separately.

A plan for living.

Hospice really is a plan for living. And the sooner you call, the sooner we can put that plan into action. With emotional support, pain management, in-home care and more, we'll help you make the most of your time with family and friends. Call 315-735-6484 • 1-800-317-5661 www.hospicecareinc.org

Where there is a will there is a way to help!

Making a bequest through your estate plan to support Hospice & Palliative Care, Inc. (HPCI) is quite simple. The following wording included in your will or codicil amending your will, can be used to express your charitable intentions:

I give and bequeath to Hospice & Palliative Care, Inc., a charitable organization located at 4277 Middle Settlement Road, New Hartford, New York, 13413, U.S. A, my estate (or, the sum of money, percentage of estate, or description of property) to be used for carrying out the general purposes of the organization, the sum to be expended by the officials of the organization as they may determine. Hospice & Palliative Care, Inc. is recognized by the U.S. Internal Revenue Service as a registered 501(c) (3) non-profit, charitable organization.

If your interest is to support a specific program at HPCI, that preference can be expressed with a modification to the terms

above. To ensure that your exact intentions are carried out, estate planning documents should be prepared in consultation with your attorney and financial advisors.

You may contact the **Director of Development & Human Resources or the Development Supervisor at 735-6484 ext.249** with questions about our giving programs, the scope of programs and services supported by charitable gifts, the recognition available for you and your family, and any needed technical assistance.

Also, if you decide to include HPCI in your will or have already done so, please let us know. We are always honored to be remembered by our friends in such a personal and significant way and would like the opportunity to personally thank you.

Host an event for Hospice!

Each year we are lucky to be the recipient of funds raised by many individuals and groups in our community who plan fundraisers and donate the proceeds to us. Events have been as simple as a picnic and as complex as a golf tournament. Last year a local beautician held a cut-a-thon, a family reunion included a raffle, and golfers hit the links all to benefit Hospice & Palliative Care, Inc.

Proceeds from events held in 2005 will be recognized on the Hospice Telethon on WKTV in October. If you would like to host an event or for more information please contact the Development Office at 735-6487 ext.249.

A GIFT OF CARING

We count on your support to make end-of-life care available to everyone, regardless of their ability to pay, and to provide excellent comprehensive care, bereavement support and other services. Our donors tell us that making a difference in the lives of patients and families is the greatest benefit of giving.

Cash Contributions and Matching Gifts – Cash contributions to Hospice are deductible if you itemize on your tax return. Matching gifts can increase your gift. Many companies match the gifts of their employees (*and often employee spouses, retirees and board members.*) Check with your employer's human resources department to see if your gift can qualify.

GE Retirees can now make matching gifts to Hospice & Palliative Care, Inc. along with many other matching gift companies. Please call the HPCI Finance Director at 735-6487 ext. 242 for more information.

Outright Gifts of Appreciated Property – In addition to cash contributions, you can donate appreciated property stocks, bonds and real estate to Hospice. Your charitable deduction is based on the fair market value of the asset at the time of the gift—a win-win for you and our patients.

Endowment Gifts – As an ultimate tribute to the services provided by Hospice, you can use your gift to endow patient care, grief counseling and other programs. An endowed fund is invested to provide annual support for hospice programs you care about.

Bequests – A simple way to provide for Hospice is through a bequest in a will or living trust. Any part, percentage, or component of estate or trust assets can be left to Hospice and will help to reduce inheritance taxes.

Income-Generating Gifts – You can also use cash and appreciated property to establish charitable remainder trusts or charitable gift annuities that provide income and tax benefits to you, while benefiting Hospice. These deferred giving plans can accomplish your financial and charitable objectives.

For More Information – A little planning can result in big tax savings and provide a lasting tribute to your support of HPCI. Hospice's Development professionals will confidentially work with you and your financial advisor to help meet your charitable and financial goals. To learn more about giving to HPCI, please contact the Development Department at 735-6484 or toll-free at 1-800-317-5661.

VOLUNTEERING: A FAMILY AFFAIR

Volunteers are among Hospice's greatest assets. From people who volunteer in the office, lead bereavement groups, to those who visit patients in their homes, nursing homes, and at the Siegenthaler Center, volunteers contribute in many ways and many settings.

For Mary Ellen and Stan Cehonski, getting involved with Hospice was a family affair. Mary Ellen's dad had been a patient, which inspired her to become a hospice volunteer that eventually led to her employment as a volunteer coordinator with HPCI. She continues to volunteer as a patient/family volunteer and a personal care volunteer. Mary Ellen says working and volunteering for hospice is her way of giving back to an organization that supported her and her family. Her husband Stan has been a tremendous help with his computer expertise in the office. Mary Ellen and Stan's son J.R. also was a patient/family volunteer prior to moving to

New Jersey. Mary Ellen's mom, Regina English and her husband Ben Paoni actually met at a bereavement walking group and now both volunteer for Hospice. Regina makes bereavement support phone calls and is a facilitator for bereavement walking groups; and Ben is a patient/family volunteer.

Hospice was founded by volunteers including our Medical Director William Krause, Executive Director Pi Gentile and HPCI Board member Joan Murphy. Today over 200 volunteers help make HPCI a caring, cost-effective program. Volunteers are needed throughout Oneida, Herkimer and eastern Madison counties for patient/family care, bereavement support, fund-raising, and general office support. For information on becoming a volunteer, call 735-6484 or, call toll-free 1-800-317-5661.
